Jingtian Hu

jh5296@columbia.edu | https://jingtian-hu.github.io
Department of Political Science, Columbia University, New York, NY 10027

Education

Columbia University, New York, NY
Ph.D. Student, Political Science, 2026–present
Fields: International Relations; Political Methodology

Tsinghua University, Beijing, China
M.A., International Relations [GPA: 3.98/4.0], June 2026
Visiting Student, The University of Hong Kong, Hong Kong, China, June - August 2025

Tsinghua University, Beijing, China
B.A., International Politics (with Highest Honors) [GPA: 3.89/4.0], June 2023

Research Interests

Substantive: International Political Economy; Political Economy of Natural Resources, Global Supply Chains, and Armed Conflict

Methodological: Causal Inference; AI for Social Sciences; Spatial and Network Analysis

Statistical & Methodological Training

PhD Level: Research Design; Quantitative Analysis II (GLM, MLE, TSCS); Causal Inference (Cliometrics, **A+**); Spatial Analysis for Social Sciences; Quantitative Analysis III (Bayesian Statistics); Game Theory (**A+**)

Undergraduate Level: Calculus I; Calculus II; Linear Algebra; Probability Theory; Mathematical Statistics; Principles of Economics; Applied Econometrics; Programming Fundamentals (Python); Quantitative Analysis I (**A+**)

Languages & Computer Skills

Languages: English (TOEFL MyBest 111; GRE V158 + Q170), Chinese (native)

Computer: Large Language Models (LLMs), **R**, Python, Stata, SPSS, LaTeX, Git/GitHub, ArcGIS, QGIS, Stan, HTML

Research

Peer-reviewed Articles

1. Chong Chen and **Jingtian Hu**, "Spatial Dependence and Armed Conflict Prediction," Quarterly Journal of International Politics, No. 2, 2022, pp. 86-123. [In Chinese]

Working Papers

"Critical Mineral Value-Chain Integration and Local Political Order" (Writing Sample) [PDF]

* Examines how asset specificity and supply-chain integration shape state protection, local bargaining, and armed conflict around critical-mineral extraction.

* To Be Presented at International Studies Association *(ISA)* Annual Convention, 2026.

" Modeling Spatiotemporal Armed Conflict Dynamics via Physics-Informed Diffusion", (with Hao Sha, Pengfei Tian, Yue He, Chong Chen, Fan Yang, and Peng Cui) [PDF]

* Poster at Annual Meeting of the Society for Political Methodology *(PolMeth)*, 2024. [Poster]
* Revise-and-Resubmit at ACM SIGKDD Conference on Knowledge Discovery and Data Mining *(KDD)*, 2026 (A highly selective and top-tier peer-reviewed computer science conference). [Slides]

"Modeling Collective Foreign Policy Decisions: Randomized Controlled Experiments with AI Multi-Agent Architectures", (with Yifei Zhu, Zhenhua Tu, Yinzhi Lin, Xun Pang)

* Poster at Annual Meeting of the Society for Political Methodology *(PolMeth)*, 2025. [Poster]
* Forum Speaker at CCF International Conference on Natural Language Processing and Chinese Computing *(NLPCC)* Workshop: When Large Language Models Meet Social Science, 2025. [Slides]

"Structural Balance and Issue Salience in Global Negotiation Networks", (with Xinyang Gao and Xun Pang) [PDF]

* Presented at International Studies Association *(ISA)* Annual Convention, 2025.

Book

" Large Language Models for Social Science: Theory, Methods and Applications," (ed. Xun Pang, Under Contract)

* Contributing author (with Le Bao, Yuxin Hou, Xiao Liu, Huiyi Lyu, Zhenhua Tu, and Yifei Zhu)

Fellowships & Awards

All-Round Excellence Scholarship, Tsinghua University, 2025, 2024, 2020

HKU Summer Research Programme Scholarship, The University of Hong Kong, 2025

Outstanding Graduate Student Award in Beijing, Beijing Municipal Education Commission, 2023

Outstanding Graduate Student Award (**Top 1 of Class 2023**), Tsinghua University, 2023 [**Top 1%**]

Best B.A. Thesis Award, Tsinghua University, 2023 [**Top 1%**]

Tsinghua Top Prize Finalist Scholarship, Tsinghua University, 2022 [**Awarded to only 15 undergraduates, Top 0.1%**]

First Prize in the 40th Challenge Cup for Scientific Research, Tsinghua University, 2022

Social Work Excellence & Scientific Innovation Excellence Scholarship, Tsinghua University, 2021

Research & Teaching Assistant

Research Assistant

Research Assistant to Prof. Chong Chen, Tsinghua University (Spring 2022–Fall 2023)

Research Assistant to Prof. Xun Pang, Peking University (Spring 2024–Spring 2025)

Teaching Assistant

Introduction to Quantitative Methods in International Relations, Tsinghua University (Fall 2021, Fall 2023)

Spatial Analysis for Social Sciences with R, Tsinghua University (Fall 2022)

Large Language Models for Social Science Workshop Series, Peking University (Spring 2025)

Professional Membership

Midwest Political Science Association, 2023–present

International Studies Association, 2024–present

The Society for Political Methodology, 2024–present

China Computer Federation, 2025–present

Operations Research Society of China, 2025–present
